

# 6932

**Black Jack® Series**  
**Black Neoprene Coated Work Gloves**  
**Multi-Dipped Etched Rough Neoprene**  
**12 Inch Length Fully Coated**  
**Brushed Interlock Lining** The protection the Black Jack® series provides is a notch above any comparable glove you'll find in the industry. The 6932 is 12 inches long and fully coated with etched, rough black neoprene. The brushed interlock lining is soft, easy to wear, and treated with ActiFresh®. ActiFresh® helps to prevent odors and eliminate bacteria caused by perspiration. The component materials of this glove comply with all federal regulations for food contact. If you are searching for the best neoprene-coated work gloves, look no further than MCR Safety!
