

Predator® Impact Mechanics Gloves  
Hi-Visibility Leather Palm Work Gloves  
TPR Back of Hand Protection  
Cut, Abrasion, Puncture, and Impact Resistant  
Wing Thumb

MCR Safety's Predator® work gloves are premium quality, rugged, and will work as hard as you! The PD4903 synthetic leather palm gloves are made with premium-grade components. The hi-visibility lime spandex back features TPR on the back of the hand and fingers, providing impact protection! Other features include a HyperMax® 360° cut-resistant liner and, a reinforced thumb crotch and rolled index finger for excellent durability. A sturdy pull tab makes this glove easier for donning and doffing, and an internal cuff loop makes it perfect for hang-up storage. This glove also has reflective material on both sides of the cuff for additional visibility. Are you looking for the best impact-resistant work glove options? Look no further than MCR Safety!
